402-489-0386

The Nebraska School Activities Association (NSAA) is a voluntary nonprofit organization that has been in existence and serving the youth of Nebraska since 1910. The NSAA administers the statewide high school activities program for high school students in Nebraska. The NSAA offers students opportunities for involvement, participation and healthy competition, while fostering overall mental, physical and social development through its 20 sanctioned sports and five activities.
