

NSAA END-OF-YEAR CHECK LIST

1. Fill out ONLINE the **2019-20 Activities Registration/Membership Form** with \$60 **Fees** for each activity in which your school will participate. This will also include the \$40 **Membership Fee**. This will be available **May 1st** and due **July 1st**. The form can be found on the AD login page, under “Other Forms”.
2. Fill out ONLINE **Application for Hosting** Subdistrict & District Events for 2019-20. **Applications for Volleyball, Cross Country, Girls Golf, and Play Production are available now. Softball will be available June 1. Deadlines vary depending on the activity.**
All schools should complete this form even if you are not interested in hosting any events. Those schools that have an interest in hosting NSAA sub-district and district events are encouraged to complete the “Application for Hosting Subdistrict and District Events” by the posted deadlines. The NSAA often receives inquiries about why a particular school was bypassed in the district site selection process. Often a school is not considered because it did not indicate an interest in hosting. Further, there are often complaints about the distances schools have to travel to certain district events; that, too, is often the result of schools not submitting applications to host.

Contracts for schools that have been selected to host subdistrict & district events will be posted on the NSAA AD login page. AD’s should regularly check the NSAA website for banner notification of the posting of those contracts.

3. Complete 2019 **Volleyball, Softball & Class A Only-Girls Golf Schedules** on the NSAA website. **(After June 9)**

5. Fill out ONLINE all entries for **2019-20 Directory**.
This may be found on the AD login page, under “Other Forms.” Remember, this form should be periodically updated as new hires and new coaching/sponsorship assignments are made throughout the year.
There is a “no change” box by each activity that should be clicked if the coach/sponsor is the same as 2018-19 school year. **Please be sure your email addresses are inputted correctly and are accurate - this is the primary form of NSAA communication.**
