BASEBALL

Fifty-six schools played baseball during the 2015 season. Class A consisted of the top 27 teams. The remaining schools were placed in Class B. Classes A and B used a serpentine method to arrange district play. Class A advanced six district champions and two wild-card teams (Lincoln Southwest and Papillion-La Vista) to the state tournament. Class B advanced six district champions and two wild-card teams (Norris and Platte Valley) to the eight-team field.

The State Baseball Championships were played May 16, 18-21 in both Omaha and Lincoln this year. Omaha's Werner Park and Fricke Field served as sites for the Class A tournament while Hawks Field at Haymarket Park and Sherman Field in Lincoln hosted the Class B tournament. The state championship used a double-elimination format for the 16th year, but used the "Legion Bracket," where all remaining teams in the tournament are required to play every day, for the fifth straight season.

Werner Park hosted first round games and winner's bracket games for Class A. Hawks Field at Haymarket Park served as host for the first round games and winner's bracket games in Class B. Fricke Field and Sherman Field hosted elimination games for Class A and Class B, respectively. The Class A championship finals were played at Werner Park and the Class B championships finals were played at Haymarket Park.

NSAA Assistant Director Jon Dolliver served as the championship director. Paid Attendance: 9,589.

Nebraska High School Track and Field State Records

The Nebraska School Activities Association maintains two sets of state records-(1) State Records (St) for any performance during the entire track season, including the state meet, and (2) State Meet Record (SM) for performances during the state track meet only. Each school is responsible for submitting applications for state records achieved prior to the state meet. Basic requirements for state record consideration:

1. Track event must be conducted at metric distances.
 2. Performances will be considered only from meets involving five or more schools being run according to National Federation/NSAA rules.
 3. Performances must be certified on an NSAA record application form.
- List also includes previous year's gold medal winner.

Explanation: A/St means Class A State Record, A/SM means Class A State Meet Record

2014-15 U.S. CELLULAR CUP STANDINGS

The Nebraska School Activities Association is pleased to announce the final standings for The U.S. Cellular Cup, the NSAA All-Activities Award for Nebraska high schools. The annual awards program, which began in 2007 to recognize the state's most successful high school athletic and fine arts programs, is presented to the twelve Nebraska high schools which earn the most points during the school year by participating in NSAA education-based activity programs. This all-activities (fine arts and sports), all-school recognition platform recognizes the "Best of the Best" each year in NSAA programs and parallels the service objectives of the program's sponsor.

The U.S. Cellular Cup is presented to the winning schools in the four classes of the All-School Division, Girls Division and Boys Division during special ceremonies the following fall.

U.S. Cellular Cup Details & Point System

Each year the NSAA and U.S. Cellular recognize the most successful activities programs in the state with the U.S. Cellular Cup. U.S. Cellular Cup winners are determined by a point system based on participation in NSAA education-based activities, sportsmanship and performance in state championship events within each division and class. Music, which does not have a state-level event, earns points based on participation at the district music contest.

The boys and girls competition in each class features schools earning participation and performance points from their respective activities. In the case of coed schools, the fine arts activity performance points are divided equally among a school's boys and girls U.S. Cellular Cup totals. In the all-school division, schools receive participation points for each of its NSAA registered programs, and earn additional points for placing in NSAA championship events.
