Boys basketball had six classes in 2017-18. Each class qualified eight teams for the NSAA Boys State Basketball Championships held on March 8, 9, & 10, 2018, in Lincoln.

Class A was divided into seven districts with the district champions and one wild-card team, selected on the basis of a point system, qualifying for the state tournament. Millard South was the wild-card team for Class A.

Class B was divided into eight subdistricts with the winners advancing to the district final. The next eight non-subdistrict winners with the highest wild-card point averages qualified for the district final to complete a 16-team bracket. The winners of the district final then advanced to the state championship.

For the thirteenth year in NSAA history, Classes C1, C2, D1 and D2 also had two wild-card qualifiers. Classes C1, C2, D1 and D2 were divided into twelve sub-districts and six districts. The Class C1 wild-card qualifiers were Winnebago and Broken Bow. Elmwood-Murdock and South Loup were the C2 wild cards. In D1, West Holt and Heartland received the wild cards. BASEBALL

Sixty teams played baseball during the 2018 season. Class A consisted of 28 teams. The remaining teams were placed in Class B. Classes A and B used a serpentine method to arrange district play. Class A advanced six district champions and two wild-card teams (Grand Island and Lincoln Southeast) to the state tournament. Class B advanced six district champions and two wild-card teams (Hastings and Elkhorn) to the eight-team field. The State Baseball Championships were played May 12, 14-17, 2018, in both Lincoln and Omaha. Hawks Field at Haymarket Park and Sherman Field in Lincoln hosted the Class B tournament. Omaha's Werner Park and Fricke Field served as sites for the Class A tournament.

The State Championship used a double-elimination format for the 19th year, but used the "Legion Bracket," for the eighth straight season, where all remaining teams in the tournament are required to play every day. Werner Park hosted first round games and winners' bracket games for Class A. Hawks Field at Haymarket Park served as host for the winners' bracket games in Class B. Fricke Field and Sherman Field hosted elimination games for Class A and Class B, respectively. The Class A Championship finals were played at Werner Park and the Class B Championship finals were played at Haymarket Park. NSAA Assistant Director, Dan Masters, served as the Championship Director. Paid Attendance: 14,278.

Nebraska High School Track and Field State Records

The Nebraska School Activities Association maintains two sets of state records-(1) State Records (St) for any performance during the entire track season, including the state meet, and (2) State Meet Record (SM) for performances during the state track meet only. Each school is responsible for submitting applications for state records achieved prior to the state meet. Basic requirements for state record consideration:

- Track event must be conducted at metric distances.
- Performances will be considered only from meets involving five or more schools being run according to National Federation/NSAA rules.
- Performances must be certified on an NSAA record application form.

List also includes previous year's gold medal winner.

2017-18 NSAA CUP STANDINGS

The Nebraska School Activities Association is pleased to announce the final standings for The NSAA Cup, the NSAA All-Activities Award for Nebraska high schools. This annual awards program, which began in 2007 to recognize the state's most successful high school athletic and fine arts programs, is presented to the twelve Nebraska high schools which earn the most points during the school year by participating in NSAA education-based activity programs. This all-activities (fine arts and sports), all-school recognition platform recognizes the "Best of the Best" each year in NSAA programs.

The NSAA Cup is presented to the winning schools in the four classes of the All-School Division, Girls Division and Boys Division during special ceremonies the following fall.

NSAA Cup Details & Point System

Each year the NSAA recognizes the most successful activities programs in the state with the NSAA Cup. The NSAA Cup winners are determined by a point system based on participation in NSAA education-based activities, sportsmanship and performance in state championship events within each division and class. Music, which does not have a state-level event, earns points based on participation at the district music contest. In wrestling, NSAA Cup points will be awarded based on a school's highest finish at either the Individual Wrestling Championship or the Dual Wrestling Championships. For example: If a school places 4th at the Individual Championships and places 3rd at the Dual Championships, that school would receive the points earned for the 3rd place finish at the Dual Championships, instead of receiving points for both championship events.

The boys and girls competition in each class features schools earning participation and performance points from their respective activities. In the all-school division, schools receive participation points for each of its NSAA registered programs, and earn additional points for placing in NSAA championship events.
