- The NSAA Board unanimously approved the corrected Nebraska Department of Education enrollment numbers for the 2019-20 activities year. [Total school, boys and girls enrollment numbers are available on this page.](#)
- The Board also discussed a proposed amendment to Approved Rulings 3.3.7 and 3.5.1, effective beginning the 2019-20 school year. These approved rulings will now read:

3.3.7 - To be eligible to participate in a sub-district, district and/or state contest, a student shall have been a member of a school's team and shall have been "available to participate" in at least **thirty percent (30%)** of the school's scheduled interschool contests.

a. Exceptions to the requirements for a student who has not been available to participate in at least **(30%)** of the school's varsity interschool contests would be considered if an individual was unable to participate because of illness, injury, transfer from another high school, or if weather conditions forced a cancellation of scheduled contests.

b. When determining whether a student has been available for **(30%)** of the school's varsity interschool contests, one would divide the number of varsity interschool contests for which the student was available by the school's total number of varsity interschool contests; all decimals .1 or above would be rounded up to the next higher whole number.

c. The term "available to participate" means that the student was a bona fide member of the team eligible to participate for the school at some level of competition in the sport and is not suspended from participation in activities by virtue of NSAA rules.

3.5.1 11 - Students must miss the school event(s) immediately following the outside participation activity unless there are not the required number of regularly scheduled schools events remaining; in which case, the additional events would need to be made up in advance of the outside participation. **IF THE STUDENT HAS MISSED MORE THAN 20% OF THE SCHOOLS SCHEDULE CONTESTS DUE TO PARTICIPATING IN CONOUTSIDE COMPETITION IN THE SAME ACTIVITY, THE STUDENT SHALL BE INELIGIBLE TO REPRESENT HIS/HER SCHOOL IN THAT SPORT.**
