

NCPA ACADEMIC ALL-STATE AWARDS

The Nebraska School Activities Association (NSAA) is pleased to announce the student recipients of the **Spring 2022 Nebraska Chiropractic Physicians Association (NCPA) Academic All-State Awards**. Since 2006 this NSAA Awards Program has recognized students who meet the criteria for nomination by their school in the season of their activity.

Each year the NSAA and the NCPA recognize students during Fall, Winter, and Spring Seasons who are nominated by their schools for their individual academic excellence, leadership, and significant contributions in their NSAA activity.
