LINCOLN, NE — The Nebraska School Activities Association (NSAA) is proud to announce Kimberly French of Scribner-Snyder Community Schools as this week's recipient of the "Above and Beyond" Award. A tireless volunteer, passionate supporter, and community cornerstone, Kim embodies the heart and spirit of service that keeps small towns thriving.

In a place like Scribner, Nebraska—where community is everything—people like Kim French make all the difference. Her impact spans beyond the walls of the school and into the heart of the community through her work with Pebble Creek Vintage Thrift, a non-profit organization that supports local needs. Since joining the board in 2022, Kim has stepped up in every way possible, now sharing the Treasurer's role while giving her time, resources, and energy to ensure the store's continued success.

Kim is known as a "people-pleaser" in the best possible way—someone who's always ready to lend a hand, work late, calm a tense moment, or even deliver purchases to customers on her own time. Her passion for service is evident not only in her actions but in the warm, welcoming environment she helps create for everyone who walks through the doors of Pebble Creek.

"She's the first to say yes when help is needed," said a fellow board member. "She's our town's number one fan and a true team player in every sense of the word."

Kim's devotion extends deep into Scribner-Snyder's wrestling programs, where she has been a constant supporter of both the girls and boys teams—

even after her own child graduated. From planning Parents Night to crafting heartfelt poster boards, silhouettes, and keepsake displays for senior wrestlers, Kim continues to celebrate and showcase the students who mean so much to her. Her presence at tournaments and events is a reminder that once you're part of the SS wrestling family, you're always family.

Whether she's helping open the doors of a community thrift store, cheering from the bleachers, or capturing memories for students to cherish forever, Kim French is the heartbeat of Scribner-Snyder. Her time, dedication, and love for her community make her an irreplaceable asset—and a true example of going above and beyond.

The NSAA is honored to recognize Kimberly French for her incredible contributions to both her school and her community.
