LINCOLN, NE — The Nebraska School Activities Association is honored to recognize Mr. Mike Szeckely of Loomis Public Schools as this week's Above and Beyond Award nominee.

Mike wears many hats in the Loomis community—bus driver, school board member, track coach, clock operator, and pastor—and in every role, he is a beacon of kindness, commitment, and unwavering support for students and staff.

Mike is the kind of person who radiates positivity the moment he enters a room.

Whether he's driving a morning route, cheering on a student at a game, or advocating for the school during board meetings, his love for Loomis Public Schools is evident in everything he does. He is equally dedicated to academics and activities, and he leads by example in both arenas—often literally leading cheers from the sidelines with contagious energy and enthusiasm.

As a board member, Mike is deeply invested in the long-term success of the district. During the current school bond initiative, he has been a steady and optimistic voice, always focused on what's best for students and staff. As a coach and volunteer, he's a hands-on leader who never hesitates to step in where needed—whether that means coaching a relay team or helping organize school events.

Mike's impact stretches beyond the student body. As a military veteran, he plays a key role in the district's Veterans Day ceremony, bringing meaning and reverence to the event. His presence is felt in classrooms, boardrooms, and community spaces alike—and always in the spirit of service and unity.

Everyone who meets Mike Szeckely quickly realizes he is one in a million. His optimism is genuine, his support is steadfast, and his dedication to the school and community is unmatched.

The NSAA is proud to recognize Mr. Mike Szeckely for going above and beyond in all that he does for Loomis Public Schools and for the students of Nebraska.
