**LINCOLN, NE — The Nebraska School Activities Association is proud to recognize Mila Wehrbein, a 2025 graduate of Plattsmouth High School, as this week's Above and Beyond Award nominee.** Mila is the definition of a well-rounded student—an exceptional leader, scholar, athlete, and servant to her school and community.

Throughout her high school career, Mila was a three-sport athlete, excelling in golf, basketball, and track, while maintaining a perfect 4.0 GPA. Her leadership extended far beyond the playing field. Mila served as Student Council President, Student Leader of Academy Core Leaders, a member of National Honor Society, and an ambassador for Plattsmouth High School. She was also actively involved in FCA, the Junior Board, and the Student Advisory Board.

Mila played a key role in shaping the future of her school by participating in strategic planning discussions in 2023. She directed Freshman Day for three consecutive years and helped guide younger students through youth basketball camps. Her passion for service is evident in everything she does—she accumulated over 130 hours of community service and helped organize fundraising efforts for Make-A-Wish, raising over \$3,000 in a single year.

She also demonstrated an exceptional ability to connect with younger students, presenting on financial literacy at Plattsmouth Middle School and helping to launch and build the school's academy model. Mila's leadership helped bring community spirit to life through the organization of

Homecoming festivities, including the community parade, bonfire, and vendor fair.

Mila Wehrbein is a shining example of what it means to go above and beyond. Her influence will continue to be felt at Plattsmouth High School for years to come, and her legacy of service, excellence, and leadership is something the entire community is proud of.

The NSAA is honored to recognize Mila Wehrbein for her remarkable dedication to her school, her peers, and her community.

**The NSAA's Above and Beyond Program is designed to recognize the hidden gems of communities across Nebraska. [Click here to nominate someone today!](#)**
