**LINCOLN, NE — The Nebraska School Activities Association is proud to recognize Landonn Mackey of Madison High School as this week's Above and Beyond Award nominee.**

Landonn Mackey is a tireless giver who exemplifies dedication, selflessness, and servant leadership in everything he does. A former classroom teacher, Landonn now serves as Madison High School's Athletic Director and Assistant Curriculum Director, while also coaching at the high school level and remaining actively involved in numerous community coaching programs.

As the Activities Director of a C-1 school, Landonn devotes countless hours to supporting Madison's activity programs and student-athletes. In addition to his administrative responsibilities, he serves as the head football coach and has coached students at every level, from grades 3 through 12. His coaching experience spans a wide range of programs, including high school girls basketball as a head coach, assistant track, and youth football, baseball, soccer, and track. Beyond athletics, Landonn coordinates the TEAMMATES mentoring chapter in Madison and plays a critical role in curriculum development and student testing, further demonstrating his commitment to the academic success of all students.

Madison is a richly diverse community, and Landonn embraces that diversity wholeheartedly. He sees individuals for who they are, not by their background

or appearance, and consistently works to build strong relationships with students, families, colleagues, and community members. Through his leadership, he serves as a vital bridge between the school and the community, helping strengthen understanding, unity, and trust throughout the town.

What truly sets Landonn apart is his genuine care for others. He does not seek recognition or praise; he simply shows up every day and does the work that needs to be done. Despite his demanding schedule, he remains a devoted husband and father to his three young children. He is often found driving his own children to events and is always willing to offer a ride or lend a helping hand to anyone in need.

Above all, Landonn is simply a good person. Prior to coming to Madison, he served at Johnson-Brock High School, where he made a lasting impression on students, staff, and the community. He was highly respected for his work, and those he served alongside were truly sorry to see him leave. Landonn has aspirations of becoming a full-time administrator in the near future, and there is little doubt that this goal will become a reality sooner rather than later.

In a community like Madison, individuals like Landonn Mackey are essential to the success of both the school and the town as a whole. His character, leadership, and unwavering commitment to serving others make a positive difference every single day.

**The NSAA's Above and Beyond Program is designed to recognize the hidden gems of communities across Nebraska. [Click here to nominate someone today!](#)**
