NEBRASKA SCHOOL ACTIVITIES ASSOCIATION

STATE BASEBALL CHAMPIONSHIPS SPECIAL NOTICE – May 15th-20th

The University of Nebraska at Omaha will be holding Spring Commencement Ceremonies at Baxter Arena, located just east of Tal Anderson Field on May 15th-20th. Fans attending the opening round of the Class A State Baseball Championships should take note of the Traffic Flow Map attached below. We ask for everyone’s patience and cooperation as we work to accommodate both events. Thank you!

Fan/Spectator Support Items

In the Chart below, ONLY those items marked “Yes” will be allowed as fan/spectator support items at all NSAA Sub-District, District, State Playoffs and State Championships.

Sportsmanlike vocal cheering and support from the team bench area are encouraged. The items indicated on this page are for use by fans/spectators.

Prohibited items: Confetti/shredded paper, powder (baby, talc, etc.), laser light/pointer, flashing objects, miniature sports balls, objects or candy thrown into the crowd, artificial noise makers, (included but not limited to horns, cow bells, bells, buzzers, clickers, thunder sticks, rattles, instruments not part of a band), whistles, air horns, sirens, cannons/muskets/guns/fireworks, live animals

The use of unmanned aerial vehicles (UAV), also known as drones, is prohibited for any purpose by any person at any NSAA postseason tournament venues. For purposes of this policy, a UAV is any aircraft without a human pilot aboard this device. This prohibition applies to all fields of play, courts, arena, mats, gym floor or pool, and includes a ban on the entire facility being used as part of the NSAA event, including the spectator areas and parking areas. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, Tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV. An exception to this policy, in writing, may be made in specific cases for NSAA broadcast partners, provided the Management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the NSAA (2015).

Regulations listed are subject to facility restrictions.
