BOYS BASKETBALL

2025

Hello everyone! My name is Reagan McGuire, and I am currently a junior at Wayne High School. This is my first year as an NSAA Student Advisory Committee member. I am involved in many school activities including softball, basketball, track, FFA, FBLA, student council, and unified bowling. I enjoy doing these activities because it gives me a chance to spend time with friends and be part of a team. I am a very competitive person, and I love being able to participate in such a variety of activities. These activities have also allowed me to become more involved in my school and community.

Everyone at these events should show positive sportsmanship to opponents, players, coaches, and officials; all of these people are necessary to run these events smoothly. You can display positive sportsmanship by pushing past your frustrations during all activities and continuing to show positivity and respect to everyone around you. This is all possible while being a good role model for the people around you. We need all of these people to make these events possible. This is OUR TIME to be the leaders of our events!

“NSAA activities...the other half of education.”

EMPATHY *is everything*

Empathy listens. Empathy connects. Empathy cares.

It's walking in someone else's shoes, seeing what they see
and feeling what they feel without judgment or shame.

Empathy says YOU ARE NOT ALONE.

And it changes everything: You. Me. The world.
