NSAA STATE CHAMPIONSHIPS

GIRLS TENNIS

2025

Hey everyone! My name is Elizabeth Bstandig, and I attend Humboldt-Table Rock-Steineaur High School. I am currently a junior, and I am serving my first year on the NSAA Student Advisory Committee! At HTRS, I participate in volleyball, mock trial, play production, basketball, speech, track & field, Fellowship of Christian Athletes, National Honors Society, FFA, cheerleading, marching band, and AcaDeca. Choosing to do all these activities in high school has been one of my best decisions ever. They help me to meet new people and discover more about myself.

This year's theme is This Is Our Time. Leading up to this year's theme, we all decided on multiple theme ideas. A common idea among us all was centered around mental health and sportsmanship. Throughout sports history, people have had different mindsets surrounding athletes' mental health. We want everyone to have the mindset that mental health is the most essential part of being an athlete and that it is okay to open up to someone and get help. How you treat fellow athletes in or outside of competition can affect someone's mental health. We, as athletes, want to show

every spectator that times have changed. In the end, we all have the same goal - to win. Please enjoy this NSAA State Championship and respect everyone around you.

"NSAA activities...the other half of education."

Nebraska School Activities Association Coaching Guidelines

- Coaches must remain off the court during all matches.
- Only the certified head coach and certified assistant coach as designated by that school's administration is allowed to coach.**
- Coaches are allowed to give instruction at any time during a match, with the following restrictions:
 - No coaching while the ball is in play.
 - Coaching in between points cannot delay play and must be done within the time allowed between points.

Head and assistant coach designated by the school's administration will be issued credentials that the coaches must wear for the entire championship. This credential will designate the assigned head/assistant coach as the only people who are allowed to coach their athletes.

In addition to enforcement by opposing coaches, the court supervisors will be monitoring the coaching rule.

Sportsmanship

Respect and good sportsmanship are essential for high school athletics. The Nebraska School Activities Association encourages good sportsmanship by students, athletes, coaches, and spectators during the NSAA State Tennis Championships." "During each match, the Nebraska School Activities Association expects fans, players, and coaches of both schools to demonstrate respect, sportsmanship, and ethical behavior at all times. Support your team and exhibit good sportsmanship during the NSAA State Tennis Championships.
