The proposal deals with: Yearbook: **Article 1 Section: 4 Page: 1**
ADDITIONS are in all capital letters. Deletions strike through.

1.4.1 For the purpose of effecting equitable representation in the government of the Association, the State shall be divided into six basic districts. The boundaries of these districts shall be reviewed annually by the Board of Directors. NSAA district boundaries will be reviewed every four (4) AT LEAST EVERY TEN (10) YEARS, AND MORE FREQUENTLY IF THE NEED EXISTS, by a formal review committee comprised of eight (8) member schools and two members of the Board of Directors.

Will this proposal impact cost to the School? NO

Will this proposal impact cost to the NSAA? NO

Will this proposal increase travel for the participating schools? NO

Will this proposal impact a student or coach's loss of instruction time? NO

Rationale for the proposed change:

PROS: Allows a review time frame if the need arises.

CONS: None

PROPOSED IMPLEMENTATION DATE: 2019-2020

B. This proposal is submitted by: Dr. Troy Unzicker, Alliance and Dave Hoxworth, Scottsbluff;
District 6 Transfer Committee Members

The proposal deals with: Yearbook: **Article 2 Section: 7, new subsection 9 Page: 24**

ADDITIONS are in all capital letters. Deletions struck through.

PROPOSED NEW BYLAW 2.7.9 Transfer to Home School District. ANY STUDENT ENTERING HIGH SCHOOL FOR THE FIRST TIME AFTER PROMOTION FROM GRADE EIGHT WHO DID NOT INITIALLY ENROLL IN THE HIGH SCHOOL LOCATED IN THE SCHOOL DISTRICT WHERE THE STUDENT'S PARENTS HAVE THEIR DOMICILE, OR A STUDENT WHO TRANSFERS BACK TO A HIGH SCHOOL LOCATED IN THE SCHOOL DISTRICT WHERE HIS/HER LEGAL PARENT(S) HAVE ESTABLISHED THEIR DOMICILE SHALL BE INELIGIBLE FOR NINETY SCHOOL DAYS.

Other NSAA Bylaws and Approved Rulings affected: 2.6.3, 2.6.0.3, 2.7.2.3, 2.7.3, 2.7.4.1, 2.7.4.2

Will this proposal impact cost to the School? NO

Will this proposal impact cost to the NSAA? NO

Will this proposal increase travel for the participating schools? NO

Will this proposal impact a student or coach's loss of instruction time? NO

Rationale for the proposed change:

PROS: Currently students can enroll in any school, regardless of the legal parent(s)' domicile, as an incoming 9th grader and be immediately eligible for varsity competition. In addition, students who do not attend the school district of the legal parent(s)' domicile may transfer to that school district at any time and be immediately eligible for varsity competition. The purpose of this proposed bylaw is to continue to allow an incoming 9th grader to attend the school of his/her choice, but if that school choice is not the school in which the legal parent resides, then transferring to the resident district would require a 90-school day ineligibility period. This new bylaw would eliminate student's ability to "return home" and be immediately eligible.

*Treats all transfers regardless of reason(s) similarly.

*Eliminates possibility of student playing for two different schools with in the same sport season.

*May 1st transfer list available rendering immediately eligible for the fall

- *Hardship waiver can be filed for circumstances not within the control of the student
- *Of the 201 member schools that responded to the survey, 102 schools (50.75%) felt there should be an ineligibility period for students "returning home"
- *33% of survey respondents supported a 90-school day ineligibility period for students "returning home"

CONS:

- *Penalty for transferring to school district where your legal parent(s) live
- * Of the 201 member schools that responded to the survey, 99 schools (49.25%) did support students being able to "return home" and be immediately eligible
- *Unintended consequences....?

PROPOSED IMPLEMENTATION DATE: Effective beginning with the 2019-20 school year

C. This proposal is submitted by: Mike Brockhaus, Sidney
The proposal deals with: Yearbook: Article 3 Section 11.11.3
Activities Manual: Approved Rulings - VB Page: 49-50
ADDITIONS are in all capital letters. Deletions struck through.

APPROVED RULINGS AND INTERPRETATIONS P. 49-50

3.11.11.3 Match Limitations. No team representing a member school may participate in more than 16 matches, in addition to the state sponsored series of tournaments from the date of the first permitted contest to the close of the state tournament. A team may not participate in more than five tournaments that have a competition point value of three or more, which includes the conference tournament. Participation in any volleyball tournament shall count as one match of the 16 matches permitted. No team may exceed 30 competition points prior to the district and state tournaments.

Competition points are assigned according to the following chart.

- (1) Dual match – 1 point
- (2) Triangular match – 2 points
- (3) Four-team one-day tournament, 2 set maximum – 2 points
- (4) Four-team round robin tournaments – 3 points
- (5) One-day tournaments of more than four teams – 3 points
- (6) Two or three-day tournaments – 4 points
- (7) THREE-TEAM DUAL/TRIANGULAR MATCH—1 OR 2 POINTS

The following school and student limitations apply:

- (1) In other than tournament competition, three schools playing two contests or playing two other schools OR ONE TEAM PLAYING TWO SCHOOLS AND TWO TEAMS PLAYING ONE SCHOOL in one session (night), counts as only one match.

The following school and student limitations apply:

- (1) In other than tournament competition, three schools playing two contests or playing two other schools OR ONE TEAM PLAYING TWO SCHOOLS AND TWO TEAMS PLAYING ONE SCHOOL in one session (night), counts as only one match.

APPROVED RULINGS AND INTERPRETATIONS FOR 3.11.11.3 1. PAGE 50

The NSAA shall permit a double-triangular in which there are 4-teams present and each team would play two of the other three teams present in a triangular format. The double-triangular must take place in one evening/session. The schedule shall be pre-determined as to which of the four teams will

comprise each triangular. The double-triangular format in which each of the schools participates in two pre-determined matches shall count as one match. THE NSAA SHALL PERMIT A DUAL/TRIANGULAR, IN WHICH THERE ARE THREE TEAMS PRESENT AND TWO TEAMS PLAY ONE GAME AND ONE TEAM PLAYS TWO GAMES. THE DUAL TRIANGULAR MUST TAKE PLACE IN ONE EVENING/SESSION. THE SCHEDULE SHALL BE PRE-DETERMINED AS TO WHICH OF THE THREE TEAMS WILL COMPRISE THE DUAL AND THE TRIANGULAR. THE DUAL/TRIANGULAR FORMAT IN WHICH EACH OF THE SCHOOLS PARTICIPATES IN ONE OR TWO PRE-DETERMINED MATCHES SHALL COUNT AS ONE MATCH

Will this proposal impact cost to the School? NO

Will this proposal impact cost to the NSAA? NO

Will this proposal increase travel for the participating schools? NO

Will this proposal impact a student or coach's loss of instruction time? NO

Rationale for the proposed change:

PROS: With the last week of the season dropped for next year we had a hard time scheduling our game for an open date. Our opponent was a conference team and close in proximity to us. They had a dual with another team on our date that worked for us. Team A had a dual with Team B. I had a 3 year contract drawn up. Team C hosts and plays A, then A plays B; 2nd year team B hosts C plays A then A plays B; 3rd year Team A hosts Team C plays A then A and B play. One team gets 2 games and two teams get 1 game. As the proposal states, the event would be 1 point for those playing 1 game and 2 for the team playing 2, which hasn't changed from what they were before, The event would be classified as one match out of your 16. This proposal helps team fit the last week game(s) into their schedule.

CONS: None listed.

PROPOSED IMPLEMENTATION DATE: 2019-2020

D. This proposal is submitted by: Mike Brockhaus, Sidney

The proposal deals with: Yearbook: Article 3 Section: Wrestling Page: 1

ADDITIONS are in all capital letters. Deletions struck through.

Girls wrestling shall be added as a winter sport season beginning with the 2019-20 NSAA calendar year. The girls wrestling season shall begin with the first day of practice as permitted by NSAA rules and shall end with a girls state tournament, conducted at the same time as the boys individual state tournament. Team Match Limitation a. No team representing a member school may participate in more than ten tournament dates and eight duals in addition to the district and state tournaments.

Definition of Events: (1) Dual meets=1 Dual (2) Triangular meets =2 Duals (3) Quadrangular meets (three duals each team)=3 Duals (4) Dual events that include 5 or more teams are considered dual tournaments and count towards the tournament dates. (5) One-day tournaments =1 tournament date (6) Two-tournaments=2 tournament dates (7) Three-day tournaments=3 tournament dates. Student Match Limitation a. No individual wrestler may participate in more than ten tournament dates and eight duals in addition to the district and state tournaments. Note: For the first 3-5 years, we will keep a Girls Advisory Committee in place to adjust tournament specifics as needed. i.e. bracket size, qualifiers, weight classes, etc, so growth can be reviewed each year and make the necessary changes to support girls high school wrestling in Nebraska. b. Competition events are charged against an individual wrestler in varsity and non-varsity competition. c. Schools would be required to file their varsity wrestling schedule with the NSAA each November, indicating the type and point value for each meet, and the total points for their schedule.

NSAA Bowling Proposal

This proposal deals with: Yearbook - Article 3.11.3

1. The section/paragraph/sentence indicates what is to be added/deleted/changed to the current Bylaw/Approved Ruling:

[Indicate ADDITIONS in all capital letters. Indicate (changes/deletions) in parenthesis.]

3.11.2 - Baseball

3.11.3 - BOWLING

(3.11.4 - Cross Country)

(3.11.5 - Football)

(3.11.6 - Golf)

(3.11.7 - Soccer)

(3.11.8 - Softball)

(3.11.9 - Swimming)

(3.11.10 - Tennis)

(3.11.11 - Track)

(3.11.12 - Volleyball)

(3.11.13 - Wrestling)

2. The section/paragraph/sentence that needs to be added/deleted/changed would read as follows:

3.11.3 - Boys and Girls Bowling

3.11.3.1 - Boys and Girls bowling shall be conducted during the winter sports season.

3.11.3.2 - The bowling season shall begin with the first day of winter practice as permitted by NSAA rules, and end with the state championship.

3.11.3.3.1 - Competition will begin the third week after the start of the winter practice.

3.11.3.3.2 - State competition will be based on eight teams.

NSAA Bowling Proposal - Supplemental Information

This supplemental information is provided to help athletic directors assess the potential impact of adding

high school bowling, as well as answer basic questions about the program.

A projected breakdown of the costs for fielding both a boys and girls team for the winter season;

Costs for One Team Costs for Boys and Girls Teams

Uniforms \$150-\$350 Uniforms \$300-\$700

Equipment* \$500 Equipment* \$1000

Transportation ** \$3,000-\$4500 Transportation ** \$3,000-\$4500

Lineage Fees*** \$1000 (max) Lineage Fees \$2000 (max)

Coaching**** \$1,000 - \$3000 Coaching*** \$1,000 - \$4,000

Total \$5650 - \$9150 Total for Boys and Girls Teams - \$7,300 - \$12,200

*Each bowling center has equipment available-free of charge-for any student athlete that requires it. The equipment costs are primarily for teaching and training aids.

**Boys and Girls teams compete at the same time and venue minimizing transportation costs. The meet schedule is determined based on bowling center availability. Most matches will take place on Saturday mornings, but some matches may take place after school or early evening during the week.

*** The Nebraska Bowling Proprietors Association has agreed to a five-year deal where a team(s) may use a facility for no more than \$1000/team. This is based on a varsity team consisting of six athletes, with three hours of practice on two lanes per week, as well as regular season match competition. District and state competition is not included in this amount.

****A salary range is offered because coaching salaries vary based on district, with coaching stipends often determined through the school districts' collective bargaining agreements.

Rationale for the proposal to add Boys and Girls Bowling to the list of NSAA Sports:

1. During the 2017 Fall Season, there were approximately 900 student athletes competing in high school bowling competition during the season.
2. During the 2016-2017 season, 86% of participants in Nebraska High School Bowling Federation (NHSBF) competition were not involved in ANY other varsity sport activity at their school. Bowling provides an opportunity to connect schools with students otherwise not involved in extracurricular activities.
3. Bowling provides opportunities for athletic competition for students who may not have the ability to compete in other sports. Students can be highly competitive regardless of age, size, strength, or gender limitations.
4. No officials are needed for oversight.
5. Bowling proprietors across the state-as part of the Nebraska State Bowling Proprietors Association (NSBPA)-have agreed there will be no alcohol consumption allowed on the bowling center concourse during sanctioned high school competition. A signed agreement by the NSBPA is available upon request.
6. The NSBPA has also agreed that a maximum lineage charge of \$1000/team will be agreed to for five years, and covers all practice and match lineage, as well as shoe rental. A signed agreement by the NSBPA is available upon request.
7. There are currently 32 states that offer high school varsity bowling, including neighboring states of Iowa and Kansas.

NSAA Bowling Proposal - Hypothetical Bowling Manual

Season:

The length of the Traditional Sports, Bowling season shall be 12 weeks and run in accordance to existing schedules. The number of practices, practice times, contest specifics, and other details will be decided locally by the school district.

Future Dates

Year First Practice First Contest District Tournaments State Championships

2019-20 November 18 December 5 January 31 February 14

2020-21 November 16 December 3 January 29 February 12

The season starts the first day of practice. The first date for practice is Monday of Week 20 of the NFHS Standardized

Calendar. The first date for a contest is Thursday of Week 22 of the Standardized Calendar. The season ends with the state tournament.

Meet Limitations:

Each school may schedule a maximum of 14 meets during the regular season. Multiple, area schools may bowl at one site, similar to a track/cross country meet. This should limit travel time/expenses.

Permissible Meets:

Teams playing Traditional Sports, Bowling shall be allowed to schedule the following meets:

i. Single Meet - two schools playing 6 games on one day.

- ï, Doubleheader - two schools playing 12 games on one day.
- ï, Triangular - three schools playing two pre-determined meets in one day.
- ï, Tournament - 4 or more schools where winners continue to advance or compete until a champion is determined (straight bracket or pool play with championship criteria).

Rescheduled Meets:

Rescheduling regular meets after district or state competition begins is prohibited.

Format:

The Baker format is an exciting and truly team-based method of bowling. A Baker Game is when multiple bowlers bowl one game. Team members alternate frames of one game; meaning the same bowler never bowls back to back frames.

Three Player/Trio Baker Game Format

Athlete 1 Athlete 2 Athlete 3

Team Composition: Teams are comprised of up to five members. Three members will compete in any given game, with up to two substitutes, per team.

Order: The bowling order (bowler 1, bowler 2, bowler 3) for Baker is set each game (1 game = 10 frames). Coaches may change their order from one game to another.

Substitutions: A coach may substitute players at any time (frame) during the game. Once a player has been substituted for, he/she may not re-enter the current game.

Games/Winner: Each Trio team will bowl 6 Baker games within each meet. The winner of the meet will be decided by total pinfall. This means that the total score from all 6 games for each team is added together and the team with the most pins wins the event.

Lanes: All team members bowl on the same lane. After three games, teams shall switch lanes with one another for equal competition. In an effort to stay on the same schedule, teams shall not start a new game until their opponent has finished their current game.

Score Sheets/Information: Coaches/Administration shall pre-communicate their team information including: team composition and substitutions, bowling order, and shoe orders. All scoring discrepancies should be reported to the score monitor or the event administrator.

Official: The administrator in charge during regular season events and district competition will serve as the head official regarding any disputes. During state competition, the NSAA will have personnel in place.

Coaching: All coaches should remain outside of the lane area unless assistance with accommodations is needed. There are no restrictions on when a coach may communicate and coach participants.

Playing Rules:

All contests shall be conducted under the official bowling rules of the United States Bowling Congress.

Tie-Breaking Procedure:

1 2 3 4 5 6 7 8 9 10

8- 5 / 3 5 8 1 7 1 X 9 / X X 8 / 6

8 21 29 38 46 66 86 114 134 150

Sudden death. In a bracket setting, the higher seed gets the choice of lane and whether to bowl first or second. In other meet formats, a coin flip will determine who decides on lane and order.

Each team gets one delivery. Higher pinfall wins the tie breaker. Eligible players for the sudden death is limited to those players that participated in the immediately preceding game. The order for participating in sudden death may be determined by the coach, however no player may compete in the tie-breaking process a second time, until all of the team members that had participated in the preceding game has had an opportunity to compete in sudden death.

The pins are cleared and re-set following each tie-breaker delivery.

Dress Code:

It is recommended that players wear school uniforms during play. The following shall apply during tournament play:

All bowlers must wear similar shirts of the same color. Consideration should be made to include a number or name on the back of the shirts. Bowlers should also wear full length slacks. These slacks may be of any color as long as they are similar to that of the rest of the team and do not have any tears or holes in them. Bowlers may NOT wear shorts, skirts, jeans or hats. Bowlers out of uniform will not be allowed to bowl until they are able to comply with the rules. Proper shoes are required. Participants must keep their uniforms on while in the competition area. Coaches should wear either a team uniform or appropriate coaching apparel in school colors or the colors of black, white, gray or khaki.

Suspended Game Policy:

A regular season game called for any reason where a winner cannot be determined, or any game called at any time for mechanical failure (i.e., lights, electrical issues, etc.) prior to becoming an official game will be treated as a suspended game. If the game is to be completed it will be continued from the point of suspension with the lineup and order of each team exactly the same as the lineup and order at the moment of suspension and subject to the rules of the game. Both schools involved in the game must agree to the suspension.

Last Date for Playing Regular Season Games:

All scheduled and postponed regular season meets must be played prior to the start of district competition. Once district competition begins, no regular season meets shall be permitted.

DISTRICT & STATE CHAMPIONSHIPS

Classification of Schools:

All registered teams will be placed into one class for competition.

District Assignment Procedure:

All schools shall be placed into eight districts. District assignment will be based on geographic location starting west and moving east with consideration also given to north and south to reduce travel.

Each school may register one trio team for district competition. Each team will bowl 12 games at districts, highest total pinfall will determine the district champion.

DISTRICT CHAMPIONSHIP INFORMATION

District Championships:

The district championship winning teams will advance based on total pinfall during a 12 game Baker trio game. The district winner qualifies for the state championship. The championship director and the Executive Director of the NSAA will make any decisions regarding a change in format, schedule, or dates if necessary.

District Dates:

Will be conducted on the Friday of week 30 of the NSAA calendar.

Eligible Player:

Players listed on the district entry form will be eligible to play in district or state tournament games. No more than two substitutes can be listed on the entry form. If changes are needed on the entry form, inform your district director as soon as possible. Anyone substituted must be eligible according to all NSAA rules. School administrators will need to verify the substitution. Once the tournament begins no substitution may be made unless an athlete is injured or ill, which a physician must verify.

Bowling Balls:

Participants should keep no more than one bowling ball at any one time on the ball return. All bowling balls must adhere to USBC Rule 3 and be in compliance with the terms and conditions regarding ball material, weight, size, markings, holes, balance, and hardness.

NOTE: A bowling ball with an offensive brand name will not be permitted for use by a high school bowler in NSAA interscholastic regular season and post-season events. There are a multitude of bowling balls for use by our high school bowlers that do not have offensive language printed on them.

Awards:

The winner of each district tournament will receive a district champion plaque. The runner-up will receive a district runner-up plaque.

State Qualifiers:

Each district tournament champion qualifies for the state tournament.

STATE CHAMPIONSHIP INFORMATION

Date:

The Friday in week 32 (???) of the NSAA Calendar

Seeding:

Teams in the state championship will be seeded according to their total pinfall during the "pre-tournament" seeding round. Each of the eight state qualifiers will bowl twelve games during this round with the highest total pinfall seeded #1, next highest #2, #3, etc.

Format:

Once seeds are determined an eight team bracket will be made. Teams will bowl a best-of-five Baker game against their opponent. The first team to win three Baker games in their bracket advances to the next round, single elimination. Tie-breaking procedures apply.

Suspension of Play:

Should play during the State Championships be suspended, play will resume where it was when it stopped.

Postponement of Play:

Should inclement weather threaten the Championship, the decision to postpone play will be made by the Championship Directors. The revised schedule will be worked out and the coaches will be notified during a meeting with Championship officials.

Team Pass Gate:

No player or coaches' passes will be issued for this year's state championship. Players and coaches must enter through the team pass gate. Only players and coaches listed on the official team roster, as submitted to the NSAA on December 1st will be allowed access to the state championship site free of charge through the team pass gate. Each team shall be allowed no more than 8 individuals (5 players, 3 individuals made of coaches & bench personnel).

Awards:

The winner and runner-up in the state championships will receive trophies. Members of the state championship team will receive gold medals and the championship team's coach will receive a special award. Members of the state runner-up team will receive silver medals.

Proposed Changes in NSAA Approved Rulings

A. This proposal is submitted by: Bec Ray, Thedford

The proposal deals with: Yearbook: **Article 2 Section:** 1.4.5 **Page:** 16

ADDITIONS are in all capital letters. Deletions strike through.

*AR 2.1.4.5. Students who are ineligible for varsity participation due to transfer or eligibility rule non-compliance may participate at the non-varsity level; however, such students would be ineligible to participate if their non-varsity team is competing against another school's varsity team. **THE EXCEPTION WOULD BE...***

2.1.4.6. STUDENTS WHO ARE INELIGIBLE FOR VARSITY PARTICIPATION DUE TO TRANSFER OR ELIGIBILITY RULE NON-COMPLIANCE MAY PARTICIPATE AT THE NON-VARSITY LEVEL AT VARSITY COMPETITION AS LONG AS THE ACTIVITY DOES NOT INVOLVE PHYSICAL CONTACT OR PERSONAL/TEAM GAIN IN POINTS TOWARDS VARSITY COMPETITION.

Will this proposal impact cost to the School? NO

Will this proposal impact cost to the NSAA? NO

Will this proposal increase travel for the participating schools? NO

Will this proposal impact a student or coach's loss of instruction time? NO

Rationale for the proposed change:

PROS:

- Under the current By-Law, ineligible **cross country runners** in small schools do not get to participate at meets because there is never a separated Varsity and JV race; they all run at the same time. Running at the JV level does not count for any points and is a non-contact sport, therefore there is no gain for the varsity team and does not affect varsity team points.
- Allowing the student(s) to run at varsity meets who is/are ineligible is fair. It still gives the runner(s) a chance to run at meets during the season, just like an ineligible volleyball and basketball player can still participate in JV games. Right now this is classified as illegal at small

school meets; therefore ineligible runners never get to run during the season at small school meets.

CONS: There are no cons because there are no points gained at the personal or team level running as a JV runner.

PROPOSED IMPLEMENTATION DATE: Start of fall sports 2019

B. This proposal is submitted by: David Hoxworth, Scottsbluff

The proposal deals with: Activities Manual: FOOTBALL Page: 42

ADDITIONS are in all capital letters. Deletions struck through.

SCHOOLS WITH A THREE GRADE BOYS ENROLLMENT OF 424-160 are assigned to Class B and are divided into 4 districts. Beginning with the school located the furthest west; schools to the east will be added until the pre-determined number of schools for each district is reached. North and South distance will also be considered. The 4 district champions and the ~~42~~ **8** teams with the highest regular season point average that did not finish as district champions will qualify for the play-offs, making a total of ~~46~~ **12** teams. The point system and the point system tiebreaker will be used to seed the ~~46~~ **12** qualifying teams.

~~Host School In the first round of the play-offs, the team with the highest point average will host.~~ **THE TEAMS WILL BE PLACED INTO A 16 TEAM BRACKET WITH THE 1-4 SEEDS RECEIVING A BYE. IN THE QUARTERFINAL ROUND, AND ALL SUBSEQUENT ROUNDS, THE HIGHER SEED WILL HOST.** ~~If the schools have identical point averages, the point system tiebreaker will be used to determine the host school. For quarterfinal and semifinal games, the following procedure will be used: i. If the two teams both hosted their previous game, the team with the highest point average will host. If their point averages are the same, the team with the higher seed will host. i. If the two teams were both visitors in their previous game, the team with the highest point average will host. If their point averages are the same, the team with the higher seed will host. i. If one team was a visitor and one team was a host in their previous game, the team which was a visitor will host.~~

Will this proposal impact cost to the School? YES

Will this proposal impact cost to the NSAA? YES

Will this proposal increase travel for the participating schools? NO

Will this proposal impact a student or coach's loss of instruction time? YES

Rationale for the proposed change:

PROS:

1. With the reduction in teams in Class B, 16 teams are not necessary for Class B.
2. Less cost to schools for travel and expenses for 1st round games with overmatched opponents
3. Reduction in loss of instructional time because of fewer teams traveling.

CONS:

1. A potential loss of gate revenue for schools and NSAA.

Class A Proposal

A. The proposal deals with: Activities Manual: Soccer Page: 20

Class A schools will be divided into seven districts. The teams with the highest wild card point averages will have the opportunity to host districts. Class A districts will be Sat (week 43).- Wed (week 44) or Sat (week 43)-Thur (week 44). All seven districts will be determined using a serpentine method (not modified), based upon the NSAA wild card point system AFTER GAMES OF MONDY OF WEEK 43. The winning boys' team and the winning girls' team in each district will qualify for the State Championship. One additional boys' team and one additional girls' team will also qualify for the State Championship on the basis of the wild card team selection procedure. The top 14 teams will have the opportunity to host the first night of district competition. The district championship would be hosted by the highest remaining seed. District dates and times would be established before district competition starts. Top seeded team in each district would be responsible for in establishing district schedules.

Rationale for the proposed change:

PROS:

Very little time to secure a site. With Sub-District finals on Thursday and all Boys District Finals Games on Saturday, it will be very difficult to secure sites in such a short period of time especially with so many games being played all on Saturday. It is no longer like the past where schools knew if they won Thursday that their District Final opponent was one of two schools in the opposite sub-district. Now there will be many possibilities. In the past you could line up a couple sites depending on who you knew you could play from the opposite sub. Also since these games are on Saturday, some sites wishing to host will have a difficult time getting workers for these games. And it will be difficult for some sites to get their crew of workers lined up in this shorter period of time. Some possible sites might have a team playing which would also cause a shortage of workers.

Many games on one day. On Saturday, February 23 there will be 54 boys' basketball games being played. There are 14 Class A first-round games and 8 Class B Finals. These games are at highest seeds gyms. This eliminates these gyms for the Class C1, C2, D1 and D2 games. There are 32 District Final games in C1, C2, D1 and D2. This is a total of 54 boys' basketball games played on Saturday, February 23.

Many officials needed for 54 games. These are the most important games of the season and instead of the best officials being able to work District Finals over more than one day, all of these games are being played on the same day. Some District Finals will not be officiated by the quality of officiating of past years.

Solution: Play these 32 C1, C2, D1 and D2 games over three days rather than all on Saturday. The rationale behind playing the sub-state finals was to eliminate possible lost school time as many of these games could be played by two schools that are many miles apart. That makes sense but there will also be many games that are close in proximity like the District Final games that were played on Monday (C1 and C2) and Tuesday (D1 and D2) under the old method. This proposal would have games that have two schools 120 miles or more apart will be played on Saturday, February 23 due to the amount of travel. Games that have two schools less than 120 miles will be played on Monday, February 25 and Tuesday, February 26. To eliminate gamesmanship between schools, the NSAA will decide which games are played on Monday or Tuesday. By spreading out these 32 C1, C2, D1, D2 District Final games over three days, there will be more sites available to host and more quality officials to officiate. These games will still all be completed by the Tuesday of the week of the Girls State Tournament just like in the past.

CONS: None
