Committee members shared their perspectives, their questions, and their concerns regarding the NSAA Summer Bylaws.

It was decided that the committee focus on the following: (1) clarifying current bylaws; (2) prioritizing high school coach/player contact; (3) liability implications; and (4) providing opportunities for all kids.

The committee members were reminded to keep the member schools in their district informed of the work of this committee.

With no further business, the committee adjourned at 11:00 a.m.
