The committee discussed the legislative proposal submitted by North Platte to move the Class A classification number from 850 to 925. The next agenda item discussed were the numbers used to determine Class C1 and Class C2 football. A legislative proposal submitted by Boone Central to split Class C1 and C2 evenly has favorable support from five of the six NSAA districts.

It was suggested that this committee continue to meet and review classifications as new schools join the NSAA membership.
