2021-2022 Nebraska State Colleges Multi-Activity Student Award Recipients Announced

The Nebraska School Activities Association (NSAA) and the Nebraska State College System (NSCS) are pleased to announce the 15,918 recipients of the 2021-2022 Nebraska State Colleges Multi-Activity Student Award.

The award recognizes students in grades 9-12 who participate in at least three NSAA sanctioned activities during the academic year. Each high school student who participates in at least three NSAA activities will be recognized and awarded a certificate of achievement by the NSAA and the Nebraska State Colleges. Activity participation will be tracked using student eligibility lists, submitted to the NSAA by each member school. The top schools in four classes will be determined based on the percentage of multi-activity student award winners compared to the total number of students in grades 9-12.

The NSAA and the NSCS are also thrilled to highlight the four high schools with the most multi-activity students. These four high schools will be presented with a banner at the NSAA State Soccer Championships in May to display at their school.

Class B –
