Proof of Licensing for Performance at District Music Contests

School: Test's School

This form needs to be completed and submitted (electronically, below) by a school administrator for all schools participating in District Music Contests. Schools that have not submitted this form before their contest will not be allowed to participate.

By signing below you are confirming that your school is in compliance with all U.S. Copyright Law and your school has properly secured the licensing (permissions) needed for all arranged music used. If you have not secured proper licensing in compliance with U.S. Copyright Law your school will not be allowed to perform.
