NSAA Winter Officials Appreciation Week Set for January 23rd-28th

LINCOLN – The Nebraska School Activities Association (NSAA) has designated the week of January 23rd-28th as NSAA Winter Officials Appreciation Week.

The weeklong campaign will highlight different facts and findings from a 2022 NSAA Officials survey as well as video highlights from the 2022 NSAA Officials Summit. Member schools are encouraged to get involved by reading an appreciation script prior to all games and sharing what they are doing to #NSAARespectTheRef by tagging at [NSAA Home](#) on Twitter.

“During this time, the NSAA and our member schools will be making a special effort to show our appreciation and respect for those individuals who take time out of their busy lives to officiate,” said NSAA Supervisor of Officials Nate Neuhaus. “Extracurricular activities are an important part of the high school experience and without their commitment, we would be unable to provide these opportunities for the thousands of student-athletes across the state.”

The NSAA will also be highlighting spring officials in addition to music judges throughout the remainder of the 2022-2023 school year.
