

2023  NSAA STATE CHAMPIONSHIPS

PLAY PRODUCTION

Hey everyone!

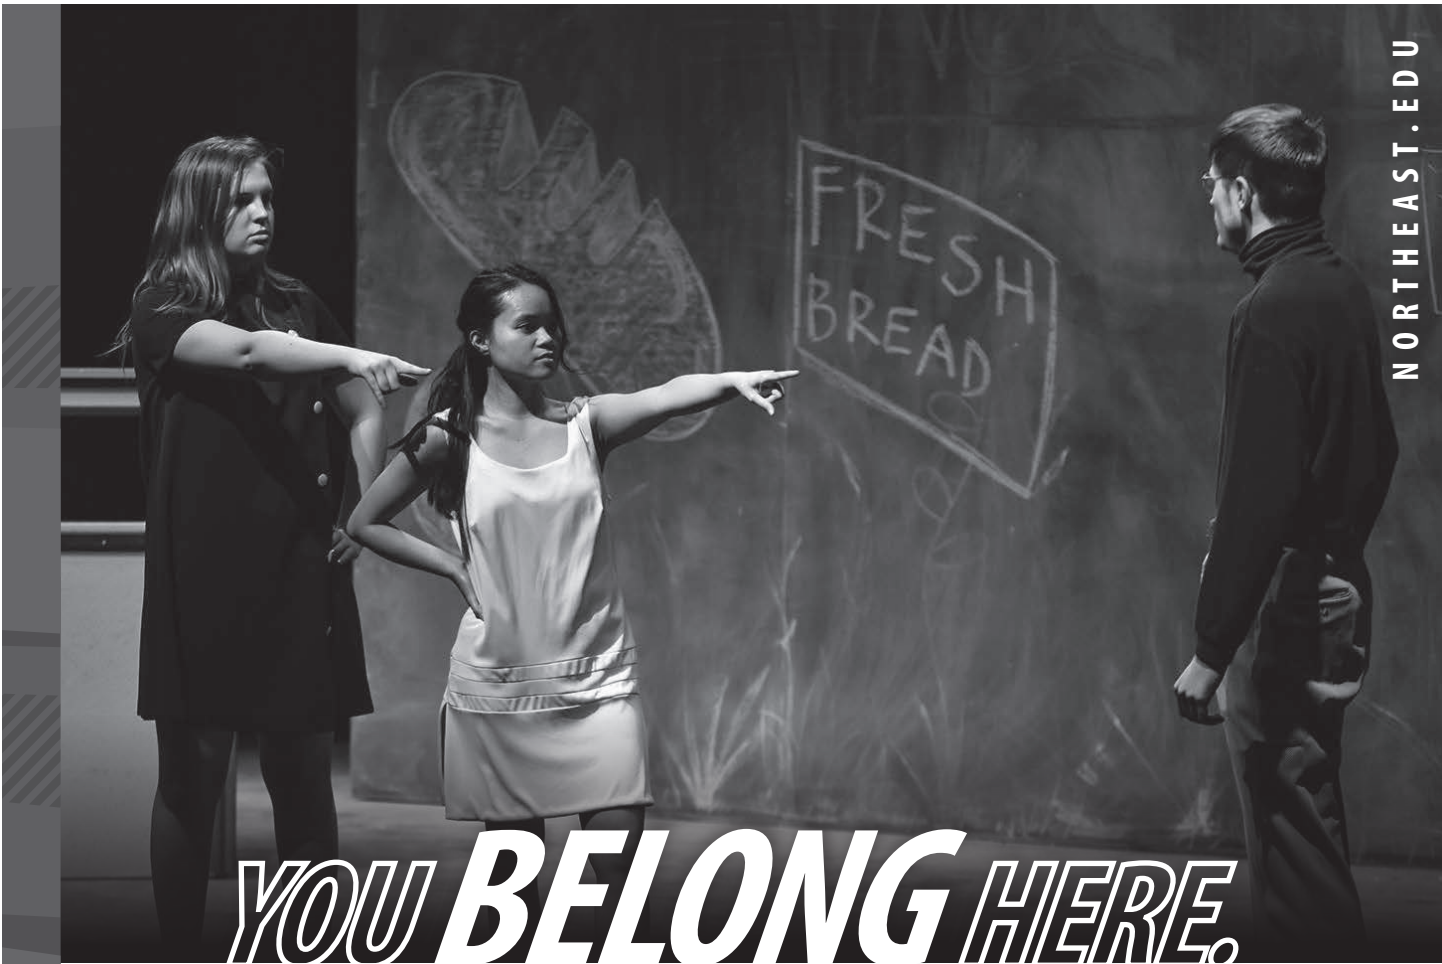

My name is Christian Burton, and I am a junior at Lexington High School, and I serve on the NSAA Student Advisory Committee. In my school I participate in cross country, track and field, play production, speech, mock trial, national honor society and band. I love participating in these activities because it helps you develop a sense of discipline and love for working hard and seeing the progress.

Fantastic fans are the ones that use the power of advocacy. Step up, support, and be there for those around you. Empathy is one of the most important tools especially in athletics or the fine arts. Listen to others, see through their eyes, and be there for one another. In a time that needs compassion and empathy more than ever before, be a positive light for athletes, fellow spectators, officials, and more.

Enjoy today's competition! And respect your officials, without them none of this would be possible!

“NSAA activities...the other half of education.”

YOU BELONG HERE.

Through mainstage productions, high quality academics and high-impact experiences, you will have plenty of opportunities to get involved, make friends, and pursue your interest in the performing arts at Northeast Community College!

Schedule an individual tour and see why we are a nationally ranked community college.

Call 402-844-7262 or go to northeast.edu to schedule your visit.
