NSAA STATE CHAMPIONSHIPS

PLAY PRODUCTION

2024

Hello! My name is Henry Cline, and I am a Junior and North Platte Highschool. I am beginning my 1st year as a member of the NSAA Student advisory committee. I am a member of the boy's tennis team; band, orchestra, and choir. I am a part of my school's theater program and take part in our fall play, One Act competition, and spring musical.

Our motto for this year is 'This is our time'! I think this is such a great motivator, but also a great reminder to enjoy what you do. I love all my activities, and I really see how this advice ties into it. I'll only be in high school for a few more years and so when I remember This is our time, I know it's my time to go make a difference. It's my time to make the most of every opportunity I get.

But it's not 'This is my time', it's 'This is our time'! It is part of everyone's responsibility to ensure that everyone gets their time: their chance. Respect, cooperation, and fairness help to make sure that everyone gets a shot and that everyone can make a difference. I say that we should all get to do what we enjoy, that we should all get the chance to change our communities and the world, and to be our best selves. 'This is our time!'

Enjoy the game!
Henry Cline
