PERFORMANCE ORDER IS AS LISTED IN THE DISTRICT ASSIGNMENTS

INSTRUCTIONS TO DISTRICT DIRECTORS

1. **2017-2018 Classification of Schools.** Schools shall be divided into six classes (A, B, C1, C2, D1 and D2) for competition.
Schools will not be allowed for qualifying purposes to compete in any other class for any reason. Schools registered for play production competition are listed by district and class on the NSAA internet homepage – nsaahome.org and in the Play Production Manual.
2. **Entry Forms.** District entry forms will be submitted electronically to the District Director and the NSAA. The district entry form now indicates if that school will be utilizing simulated weapons in their performance so that you can plan accordingly.
3. **Entry Fee.** The entry fee is to be established by each district individually **by dividing the expenses of the contest equally between the REGISTERED schools assigned to that district.** No moneys are to be sent to the NSAA.
4. **Admission.** Admission will be charged at all district play production contests. The admission charge shall be **\$5.00 for adults, \$4.00 for students.** These moneys shall be used to offset the entry fees assessed to the participating schools. **No monies are returned to the NSAA.**
5. **District Entry Deadline.** Friday November 17, 2018.
6. **Tournament Facilitator.** A tournament facilitator, prior to each performance, shall make sure all judges are in place, announce the title of the production, remind the audience members to turn off electronic devices, and refrain from any photography during the performance.
7. **Regulations.**
 - a. Three judges contracted by the NSAA will judge all plays. Judges contract to judge the district which you are hosting will be posted on your director's login page.
 - b. Entries should be given codes. Do not use school names or any other identification process.
 - c. All plays must be timed by the judge or designee. The time limit is from fifteen to thirty minutes.

For failure to abide by the prescribed time limits by more than 30 seconds, the judges shall lower the contestant one assigned rank.

- d. Do not allow judges to sit together. Assigned seating for judges shall be determined prior to the start of the contest and remain for the duration of the contest. Judges shall NOT confer until ballots have been completed. Judges shall not listen to each other's oral critiques.
 - e. At the conclusion of the contest, the judges are to rank (1, 2, etc.) the plays as well as rate them.
 - f. Schools will receive judges' ballots and contest results before leaving the contest.
Ballots are to be distributed to the director of the participating schools prior to the awards ceremony. If a rule violation or scoring error is discovered it shall immediately be drawn to the attention of the contest director to be corrected prior to the awards being presented.

 - d. The judge shall provide constructive comments for each performance and give each a rank as well as a rating on the scale of Superior, Excellent, and Fair. In arranging the schedule, district directors should provide time between events during which the judge may meet with the contestants and the directors for the purpose of giving an oral critique. Judges shall not listen to each other's oral critiques. **Judges shall not confer with one another regarding a contest play prior to submitting that play's ballot to the tabroom. The judges shall conduct the oral critique at separate times and will not be present or stationed within hearing distance while the other judge engages in the oral critique process.**
