DATE: October 2019

It is the intent of the NSAA and the Board of Directors to conduct the District Play Production Championships with as much consistency as possible in fairness to all competitors throughout the state. If I can be of any help at all, please do not hesitate to contact our office. Please Note:

- District results will be entered and calculated electronically.
- Performance order is listed on the district assignments page of the NSAA website.

INSTRUCTIONS TO DISTRICT DIRECTORS

1. **Entry Forms** - District entry forms will be submitted electronically to the District Director and the NSAA. The district entry form now indicates if that school will be utilizing simulated weapons in their performance so that you can plan accordingly.

2. **Entry Fee** - The entry fee is to be established by each district individually by dividing the expenses of the contest equally between the participating schools assigned to that district. No moneys are to be sent to the NSAA.

3. **Admission** - Admission will be charged at all district play production contests. The admission charge shall be $5.00 for adults, $4.00 for students. These moneys shall be used to offset the entry fees assessed to the participating schools. **No monies are returned to the NSAA.**

4. **District Entry Deadline** - Friday November 22, 2019. Entries can be found on the AD’s login page.

5. **Tournament Facilitator** - A tournament facilitator, prior to each performance, shall make sure all judges are in place, announce the title of the production, remind the audience members to turn off electronic devices, refrain from any photography during the performance and inform the audience if the production contains adult content.

6. **Regulations**
   a. Three judges contracted by the NSAA will judge all plays. Judge’s contracts to judge the district which you are hosting will be posted on your director’s login page.
   b. Entries should be given codes. Do not use school names or any other identification process.
   c. All plays must be timed by the judge or designee. The time limit is from fifteen to thirty minutes. For failure to abide by the prescribed time limits by more than 30 seconds, the judges shall lower the contestant one assigned rank.
   d. Do not allow judges to sit together. Assigned seating for judges shall be determined prior to the start of the contest and remain for the duration of the contest. Judges shall NOT confer until ballots have been completed. Judges shall not listen to each other’s oral critiques.
e. At the conclusion of the contest, the judges are to rank (1, 2, etc.) the plays, rate each play and provide a Reason for Decision.

f. Schools will receive judges' ballots and contest results before leaving the contest. Ballots are to be distributed to the director of the participating schools prior to the awards ceremony. If a rule violation or scoring error is discovered it shall immediately be drawn to the attention of the contest director to be corrected prior to the awards being presented.

7. **Qualifiers for the State Play Production Contest**
   a. In Class A, the champion and runner-up play from each district will qualify for the state.
   b. In Classes B, C1, C2, D1 and D2, the champion from each district will qualify for the state.

8. **Judges**
   a. The judges assigned for your district contest will be contracted by the NSAA. The NSAA will post on the director's login page who will be judging your district contest.
   b. Judges are to be paid **$17.50** per play plus mileage at 1.00 per mile one-way as stipulated on the contract.
   c. Each judge shall fill out a judging ballot for each entry. It would be beneficial to provide judges with programs and filled-in ballots utilizing codes for school identification. School names should not appear on the ballots. Ballots can be found on the NSAA Play Production webpage.
   d. The judge shall provide a Reason for Decision for each performance and give each a rank as well as a rating on the scale of Superior, Excellent, and Fair. In arranging the schedule, district directors should provide time between events during which the judge may meet with the contestants and the directors for the purpose of giving an oral critique. Judges shall not listen to each other's oral critiques. Judges shall not confer with one another regarding a contest play prior to submitting that play's ballot to the tabroom. The judges shall conduct the oral critique at separate times and will not be present or stationed within hearing distance while the other judge engages in the oral critique process.

9. **Stage Settings** - In advance, the director shall send each participating school dimensions of the stage, lighting equipment available for use and the school's policy on weapons, live animals, etc. The participating schools should send the director a diagram of the stage setting they will use, a lighting plot, the name of the play and author, characters and cast. At the time of the contest, the director shall provide a stage crew to assist the director and cast in preparing the setting and stage for the production.

**Emergency Action Plan**

Severe injuries, sudden illnesses and other critical incidents do not often occur during school activities, but it is important for every school to have an emergency action plan (EAP) for administrators, faculty, coaches and staff members to follow should emergencies occur. Due to lack of universal availability of medical coverage and other logistical reasons, NSAA does not require that schools have a physician, trainer or ambulance on-site at regular season activities; however, each school should have a plan in place should there be an emergency involving students, coaches, officials or spectators requiring medical attention.
