Who is the NSAA?

The Other Half of Education

- The NSAA is a non-profit organization, comprised of 308 public and non-public member high schools in the State of Nebraska. Member schools voluntarily agree to conduct NSAA-sanctioned activities consistent with the rules established locally and the rules established collectively as members of the NSAA.
- The NSAA sanctions 24 sports and 5 performing arts activities and directs 28 State Championships for nearly 100,000 student-activity participants annually.
- The NSAA Constitution and Bylaws, Activity Manuals and policies form the governance structure of the organization. These regulations are approved and changed only by member schools and a member-elected Board of Directors through the legislative process initiated and driven by member schools. Unless otherwise noted, NSAA rules and regulations apply to current 9th thru 12th grade students.
- NSAA rules set baselines for participation such as: academic requirements; attendance requirements; transfer eligibility; sportsmanship.
- The primary functions of the NSAA Staff are to: assist member schools with compliance questions related to eligibility, transfers and playing rules; enforce the rules established by the member schools; and administer NSAA State Championship events.
- The NSAA honors and recognizes students, coaches and volunteers for their excellence and achievements through multiple awards programs.
- The NSAA annually registers officials and judges. Member schools are responsible for hiring officials and judges during the regular season.
- When parents, families, students, or community members have questions or concerns related to NSAA-sanctioned activities, those must be directed first to the administration of the member school.
- Staffing, playing time, and team rules are decisions made by the member school, not the NSAA. The NSAA has no authority to interfere with these member school decisions.
- The NSAA does not investigate anonymous allegations. Allegations made anonymously will be reported to the member school. When an allegation is not anonymous, the NSAA will inform the member school, and the member school will determine if a violation occurred.

This Volleyball Manual has been prepared and designed to provide general information for use in the administration of NSAA volleyball competition. It will serve as a guide to the participating schools and will provide for greater consistency between matches. The regulations in this manual shall be considered official unless the schools are notified of a change.

Assistant Director, Jeff Stauss, is the NSAA staff member responsible for administering volleyball and is the person schools with questions regarding this activity should contact. He can be reached at jstauss@nsaahome.org or through Administrative Assistant, Alicia McCoy, amccoy@nsaahome.org.

NSAA Bylaws and Approved Rulings Overview

For a complete listing of NSAA Bylaws and Approved Rulings, please refer to the [NSAA Constitution & Bylaws](#).

Rules Meetings. The NSAA presents rules meetings in order to inform and educate coaches, officials, and judges about NFHS playing rules and rules changes, NSAA guidelines and approved rulings, and to discuss health and safety issues related to activities participation. All head coaches are required to attend an NSAA Rules Meeting or complete an NSAA Rules Meeting online annually. Online rules meetings are initially offered at no cost to coaches or officials followed by a period with a \$50 “Late” Fee. Failure to complete the rules meeting will result in possible late fees and suspension penalties, as stated below. Additional sanctions and fees are applicable to those coaches who fail to complete the rules meeting by the expiration of the “Late” Fee period, [as detailed in the Constitution & Bylaws](#).

2025 Volleyball Rules Meeting Schedule

July 28-August 20 – No Charge to Head Coaches

August 21-22 – Late/Penalty \$50 Fee – Head Coaches

APPROVED RULING 2.1.2 - Medical Personnel at Regular Season Games

It is important for every school to have an emergency action plan (EAP) for administrators, faculty, coaches and staff members to follow should emergencies occur. Due to lack of universal availability of medical coverage and other logistical reasons, NSAA does not require that schools have a physician, trainer or ambulance on-site at regular season activities.

APPROVED RULING 2.12 – Required NFHS Courses for Coaches & CPR/AED Certification

*All coaches, activity sponsors, and volunteers are required to complete the NFHS [Concussion in Sports](#), [Heat Illness Prevention](#), and [Sudden Cardiac Arrest](#) Training courses at least once every three years. These courses should be taken prior to any preseason or regular season physical workouts that the respective coach would be present for or involved in administering. Any course taken after May 1 would be considered valid for the following school year. **All first-year coaches are required to complete all three courses prior to the start of the activity season which they are to coach.***

Note: A heat acclimatization period is required for football, golf, softball, tennis, and cross country. However, consideration should also be taken for any volleyball practices conducted in hot and humid weather in non-air cooled facilities.

CPR/AED Certification

All head coaches/sponsors and assistant coaches/sponsors are required to be CPR/AED certified once every two years. Certification should be completed prior to any pre-season or regular season physical workouts that the respective coach/sponsor would be present for or involved in administering. All first-year head coaches/sponsors and assistant coaches/sponsors are required to complete certification prior to the start of the activity season which they are to coach. Coaches aides and volunteer coaches are not required to be CPR/AED certified.

Accommodations for Students with Disabilities

Each state association may, in keeping with applicable laws, authorize exceptions to NFHS playing rules to provide reasonable accommodations to individual participants with disabilities and/or special needs, as well as those individuals with unique and extenuating circumstances. In order to determine if the NSAA can authorize such an accommodation, the school administration should contact the NSAA to request an accommodation hearing.

APPROVED RULING 3.1.1, C. - End of Season for Outside Participation

Students who are not listed on the NSAA District entry form may participate in outside group instruction or competition of the same sport before the varsity school team has been completely eliminated from postseason competition. Those students who have participated in outside group instruction or competition following their regular season schedule would not be eligible to be placed on the district or state entry form of the same sport and would not be allowed to practice with the varsity team.

The penalty may be the exclusion from participation in sub-district, district, playoffs, or state contests.*

Four-Team, One-Day Tournament (Two Match Maximum)	2 Points
Four-Team, Round Robin Tournament	3 Points
One-Day Tournament (More Than Four Teams)	3 Points

*Note: The 30-competition point limits pertain to **each level** of competition at which a school may sponsor a team.*

Three-Team Dual/Triangular: The NSAA shall permit a **dual/triangular**, in which there are three teams present and two teams play one game and one team plays two games. The dual triangular must take place in one evening/session. The schedule shall be pre-determined as to which of the three teams will comprise the dual and the triangular. The dual/triangular format in which each of the schools participates in one or two pre-determined matches shall count as one match.

Double Triangular: The NSAA shall permit a **double triangular** in which there are four teams present and each team would play two of the other teams present in a triangular format. The double-triangular must take place in one evening/session. The schedule shall be pre-determined by the host as to which of the four teams will comprise each triangular. The double-triangular format in which each of the schools participates in two pre-determined matches shall count as one match and two competition points.

Tournament Definition. A **tournament** is defined as a contest involving four or more teams in which the winner continues to advance and compete until a single winner is determined or through round-robin competition. A team is required to have a 30-minute rest period only between the second and third matches of a tournament. The 30 minutes includes the warm-up period before the third match. By mutual agreement of the competing schools, the 30-minute rest period can be modified. Rest period between third and fourth match is not required.

Note: A school that violates the team match limitation may be disqualified from district and state tournament competition or subject to penalties as defined in Bylaw 2.11.

Student Limitations - No student shall take part in more than six volleyball matches per week, excluding tournament competition. The matches-per-week limitation does not apply to postponed contests.

No student shall take part in more than four volleyball matches per day in tournament competition. If more than one tournament is scheduled at the same time, the student may only participate in one such tournament.

In all other competition, no student may participate in more than two matches per day.

Any participation during a set of any match counts as participation in that match.

A school that violates the student limitations shall be assessed a point/loss of rally and the student shall be removed from the set. The match shall then continue.

If it is noticed by the scorer or brought to the scorer's attention that a student has violated the student limitation rule, the scorer shall notify the officials who then shall verify the violation and assess the penalty.

3.11.11.4 – Team Managers

In **Classes C1, C2**, D1 and D2, a school may permit 7th and 8th grade female student managers to practice with high school teams. A student manager is defined as a 7th or 8th grade student in good academic standing who carries out duties for their high school team on a daily basis. These individuals will need to have a pre-participation physical, an NSAA Student & Parent Consent Form and be entered on the school's eligibility list.

APPROVED RULING 3.11.1 – 3.11.13 (All Athletics)

During the volleyball season, a school shall not permit a male student, an adult, a college student, or alumni to participate in any practice session, drill, scrimmage, or match in which a school team is involved. This does not prevent a coach from being involved for the primary purposes of teaching and demonstrating skills, methods, or techniques.

National Federation Volleyball Rules shall govern all competition.

Officials

NFHS Rule 5-1-1, all officials including scorer, libero tracker, timer and line judges are to be secured by the host school.

Line Judges

Line judges are required to use flags. Line Judges shall be fair and impartial. Line judges shall avoid wearing any attire that makes reference to a school or team. It is preferred that line judges wear white shirts and black pants.

Note: the flags should be red in color and of a recommended size of approximately 12 inches by 12 inches to approximately 16 inches by 16 inches. The flag and hand grip should be securely affixed to the pole.

Videotaping and Filming

- 1) A school may videotape or film the match(es) in which its team plays.
- 2) Prior permission should be received from the host school.
- 3) Videotaping or filming a match, in which the recording school is not playing, is not permitted.

Warm-up

There shall be a minimum of 16-minutes warm-up for all interschool matches. The warm-up period shall be divided as follows for district and state competition:

- 5 minutes - Both teams on their sides of the court
- 5 minutes - Home team both sides of the court (to include serving)
- 5 minutes - Visiting team both sides of the court (to include serving)
- 1 minute - Teams at respective benches and on the endline ready for play by the conclusion of the final minute

For varsity regular season tournament play warm-ups may be 11-minutes divided as follows:

- 2 minutes - Both teams on their sides of the court.
- 4 minutes - Home team both sides of the court (to include serving)
- 4 minutes - Visiting team both sides of the court (to include serving)
- 1 minute - Teams at respective benches and by conclusion of the final minute on the end line ready for play

During the final minute of the warm-up, teams must return to their respective benches. By the conclusion of the final minute, the players who will be introduced (if doing player introductions) must be on the end line. After player introductions/National Anthem, the R1 will whistle for the teams to shake hands at the net. Then the starting players must immediately take their positions on the court for line-up checks, and the non-starters shall return to the team bench.

When a team is allowed both sides of the court, it may practice any skill including serving. While the team is allowed both sides of the court, the other team ***must be completely off of the 30' x 60' playing court, and the playable area adjacent to the playing court.***

It is not automatically within the authority/duties of the referee to dictate the warm-up schedule. If the match officials are to direct warm-ups, meet management should make prior arrangements with the officials.

It shall be the official timer's responsibility to notify each team when it is time to change drills.

Non-varsity warm-up shall be as listed unless the schools mutually agree to other arrangements.

Team Benches

Per NFHS allowances and a state association adoption, teams will remain on one designated side of the court and occupy the same team bench throughout the match.

Wildcard System

All matches played by a school's varsity team regardless of the location of the opposing school will count toward the competition point limit in volleyball. All contests played against the varsity teams of schools located within Nebraska and against the varsity teams of schools located in other states will be used to determine the wildcard point average.

Wildcard point averages will be used to seed sub-districts, districts, district finals and the state championships. District Final seeding will be completed once all of the sub-districts and districts are completed.

Results of matches will be used to:

- 1) Calculate wildcard point averages (total number of points divided by the number of contests played)
- 2) To determine the win and loss record for designating a team as a first, second, third, or fourth division team.

The following point evaluation scale will be used to determine a team's total points:

	1st Division Team	2nd Division Team	3rd Division Team	4th Division Team
Victory Over	50 Points	47 Points	44 Points	41 Points
Loss To	39 Points	36 Points	33 Points	30 Points

- A 1st division team is a team which has won at least 75% of its matches played.
(Ex: 20-0, 19-1, 18-2, 17-3, 16-4, 15-5)
- A 2nd division team is a team which has won at least 50% but less than 75% of its matches played.
(Ex: 14-6, 13-7, 12-8, 11-9, 10-10)
- A 3rd division team is a team which has won at least 25% but less than 50% of its matches played.
(Ex: 9-11, 8-12, 7-13, 6-14, 5-15.)
- A 4th division team is a team which has won less than 25% of its matches played.
(Ex: 4-16, 3-17, 2-18, 1-19, 0-20.)

- 1) No points are deducted for playing teams which are classified below your classification.
- 2) Class A schools will be awarded 2 bonus points when competing against other Class A schools.
- 3) In competition with schools one classification above yours, 2 bonus points will be awarded.
- 4) In competition with schools two classifications above yours, 3 bonus points will be awarded.
- 5) In competition with schools three classifications above yours, 4 bonus points will be awarded.
- 6) In competition with schools four classifications above yours, 5 bonus points will be awarded.

- 7) FORFEITS: Teams shall receive wildcard points for forfeited losses if the forfeit was due to extenuating circumstances between the two schools. Schools that are required to forfeit a game or games by the Executive Director or the Board of Directors shall count such contests as one of the permissible contests under the contest limitations for that sport. Such mandated forfeitures shall count as loss wildcard points.
- 8) FORFEITS: When a school's varsity team is unable to complete the season, those remaining teams on that school's regular season schedule may either:
- A) Receive forfeit wins for those scheduled contests and shall be awarded wildcard points for those forfeit wins. Wildcard points will be determined by the forfeiting team's record at the time of seeding for post-season competition. If a team declares to participate in the postseason and does not participate, forfeit wins will be issued to their opponents for those postseason contests.
 - OR
 - B) If more than seven days remain before any level of postseason seeding is to take place in that sport, a school may replace the forfeited contest on their schedule with another opponent/contest. Replacements that may be added to the schedule are limited to either teams similarly affected by the forfeiting team, or, teams that have an unfilled, allowable contest opening on their schedule. Replacement contests must be scheduled a minimum of seven days in advance of any postseason seeding and will count towards postseason/wildcard seeding.
- 9) If a tie exists for a seed in any class, the following procedure will be used to break the tie.
- A) If only two teams have identical point averages and are tied and the teams have played each other, the team that won the contest or the majority of contests between the two teams in question wins the tiebreaker.
 - B) In Class A if the two teams have not played each other or if more than two teams are tied, step C will be used to determine which team qualifies for the state tournament. In Classes B/C1/C2/D1/D2 if the two teams have not played each other or if more than two teams are tied, step D will be used to determine the seed.
 - C) In Class A if a tie still exists, or if more than two teams are tied, the team or teams playing the greatest number of first division teams in their classification will be selected. If two teams are still tied, step (a) will apply before going to step (e).
 - D) In Classes B/C1/C2/D1/D2 if two or more teams have identical point averages and are tied, the team or teams playing the greatest number of first division teams will be selected. If two teams are still tied, step (a) will apply before going to step (e).
 - E) If a tie still exists, the team's opponents' wins and losses will be totaled and the winning percentages calculated. The team whose opponents have the highest percentage based on this calculation wins the tiebreaker.
 - F) If a tie still exists, the winner will be decided by a coin flip in the NSAA office.
- 10) Schools must report out-of-state win-loss records to the NSAA. Win-loss records not reported to the NSAA will be recorded as a fourth-division team until such information is provided.
- 11) When determining the classification of an out-of-state school for wildcard purposes, if the school's three-grade enrollment is less than the lowest enrollment in a particular class, the out-of-state school shall be classified in the immediate lower class. The enrollment of Nebraska schools opting-up to play in a higher class will not be considered when comparing out-of-state schools for classification purposes.
- A) If two or more schools are tied for the final place in a particular class, the tie is broken by using the schools' three-year average enrollment for the most recent three years. When determining the classification of an out-of-state school for wildcard purposes, if the out-of-state school's three-grade enrollment is identical to the enrollments shared by schools in two different classes, the out-of-state school shall be placed in the higher class.
- 12) Out-of-state win-loss records will be included through the following dates for seeding purposes:
- A) Sub-district/district seeding: **October 21, 2025**
 - B) District Final seeding: **October 28, 2025**
 - C) State Championship seeding: **October 31, 2025**

- A) The winning team in each sub-district will qualify for the district final.
 - B) The four non-sub-district winners with the highest wildcard point averages will qualify for the district final.

District Director's Responsibilities

The director of the tournament is granted full authority for the conduct and management of the tournament and is responsible for the administration of rules, regulations and accounting of all finances.

1) Seedings and Pairings

- A) The NSAA is responsible for seeding and for the pairings of teams assigned to the district or sub-district. The district director shall provide the NSAA with match times. The NSAA will make the pairings on the date established and post the pairings on the NSAA website.
- B) A varsity team from a school may play a junior varsity team of any classification and must count that match toward the total number of permitted contests, but may not count such match toward sub-district, district, district final and state competition seeding.
- C) District competition shall be seeded based on wildcard point averages. The most recent point average computed on the seeding date set prior to the first contest of the district tournament shall be the points used. The records of all schools available to the NSAA on the date of the seeding shall be used to calculate wildcard averages, even if an error on the record is discovered after the fact or the NSAA imposes a forfeit.
 - I. If two teams are tied with identical point averages and have played each other, the results of the competition between these schools will be considered and the team winning the majority of contests between the two teams tied will be given the higher seed.
 - II. In Class A, if a tie still exists, or if more than two teams are tied, the team or teams playing the greatest number of first division teams in their classification will be selected. If two teams are still tied, criteria (I) will apply before going to step (IV).
 - III. In Classes B/C1/C2/D1/D2, if a tie still exists, or if more than two teams are tied, the team or teams playing the greatest number of first division teams will be selected. If two teams are still tied, criteria (I) will apply before going to step (IV).
 - IV. If the tie still exists, total the sum of the tied teams' opponents' wins and losses. The team whose opponents have the higher winning percentage will receive the higher seed. If two teams remain tied, criteria (I) will apply before going to step (IV).
 - V. If a tie still exists, the higher seed will be decided by a coin flip in the NSAA office.

 Day 1: Match 1 – #1 Seed vs. #4 Seed; Match 2 – #3 Seed vs #2 Seed
 Day 2: Match 3 – Championship
- B) A five-team sub-district/district will be scheduled on two days (Classes C1, C2, D1 & D2).

Financial Report Form

- A) The financial report should be completed immediately following the close of the tournament. The financial report is provided in an electronic format for sub-district, district and district final directors. You will need to go to the NSAA homepage and Login. Towards the bottom of the Login page for your school, under Time Sensitive Forms, click on Financial Form. Click on the appropriate volleyball form representative of the district you have hosted.
- B) Enter the following information: gross receipts; approximate attendance; cost of officials' fees; cost of officials' mileage; and one-way mileage of each competing school. Click calculate.
- C) The electronic financial form will compute all of the calculations for the Director. Once calculations are completed, approval will be granted and the form will show how much should be paid to each competing school and how much should be paid to the NSAA. Click submit. The Director should mail checks along with a copy of the electronic financial form to the NSAA and all competing schools immediately following the close of the tournament.
- D) Sub-District, District, and District Final contests are considered NSAA activities. Student admission waivers under the Student Fees statutes will not be permitted.

 - B) These expenses may not be listed as tournament expenses.

Note: Each host school will receive an additional \$100 for hosting, to be included in the NSAA reimbursement payment at the end of the school year.

- 6) Once the tournament has been postponed, the director shall be responsible for setting the new time, date, and site, if necessary, for the continuation of the tournament.
- 7) The previously agreed upon schedule may have to be changed to allow the contest(s) to be completed by the required dates.
- 8) Neither tournament receipts nor funds from the NSAA are to be used to reimburse any school for additional expenses incurred because of a postponed contest.

NSAA Policy on Comments and Negative Actions Against Officials and Judges.

The National Federation of State High School Associations has devised Code of Ethics guidelines for high school coaches. The function of a coach is to educate students through participation in interscholastic competition. The coach or sponsor shall respect and support contest officials and judges. The coach or sponsor shall not indulge in conduct that would incite players or spectators against the officials. Public criticism of officials, judges or players is unethical.

The Nebraska School Activities Association has embraced that Coaches Code of Ethics and has established policies and standards that will cultivate the ideals of good sportsmanship, professionalism and conduct. It shall be the responsibility of each member school to ensure that all individuals directly associated with the interscholastic program conduct themselves in a sportsmanlike and professional manner.

The high school coach or director is a representative of the school at interscholastic activity events. It is the responsibility of all coaches and directors to serve as role models for students and the public.

It is the expectation that all coaches, directors, administrators and student participants shall refrain from negative criticism of NSAA member institutions, officials, adjudicators, judges, etc. in public statements before, during or after interscholastic events. The appropriate public response to media questions at all venues regarding officiating/judging is “per NSAA policy, I am unable to comment.” Any other response is a violation of this board policy and is subject to penalty.

It would be considered a violation of this NSAA policy to include, but are not limited to the following:

- 1) Making degrading and/or critical remarks about officials or adjudicators or the officiating or judging before, during or after an event either on or off-site, via social media, or through any public means.
- 2) Detaining the officials/adjudicators/judges during or following the event to request a ruling or explanation of actions or evaluation by the official(s)/adjudicator(s)/judges.
- 3) Entering the officials dressing area following the contest.

Negative actions by an individual directly associated with the program shall be reported to the NSAA office by the school and/or by the head contest official, adjudicator, judge, or manager. The school shall document the results of their investigation and actions taken, where necessary and appropriate. The NSAA Executive Director shall determine the appropriate penalties for violation of this board policy.

NSAA SPORTSMANSHIP GUIDELINES AND EJECTIONS

1. Enforcement of the “sit-out rule” for ejections from high school contests for unsportsmanlike conduct is a responsibility of the member school. Failure to properly enforce this rule could result in other sanctions by the NSAA.
2. Administrators will be expected to promptly file a report with the NSAA whenever a participant or coach from their school has been ejected from any high school contest. Such filing must be done online under the AD login section of the NSAA webpage.
3. A participant or coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next athletic contest at that level of competition and any other athletic contest at any level during the interim.
4. Enforcement of the “sit-out rule” is expected to begin immediately, regardless whether it is regular-season or tournament play.
5. Any participant ejected a second time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next two contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess.
6. Any participant ejected a third time during a season from a contest for unsportsmanlike conduct shall be ineligible for the next three contests at that level of competition and all other athletic contests at any level during the interim, in addition to other penalties the NSAA or school may assess.
7. During the time of their “sit-out” suspension, athletes who are ejected for unsportsmanlike conduct may not suit up or participate, but it is the school’s discretion whether such athlete is able to travel with the team or sit on the team bench.
8. Coaches who are ejected for unsportsmanlike conduct may not coach in any contest or be present at the contest site during the time of their “sit-out” suspension. Coaches who are ejected will also be required to successfully complete the NFHS Teaching & Modeling Behavior online course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Teaching & Modeling Behavior online course before being able to coach the following season or year.
9. Coaches who are ejected a second time in a season will be required to sit-out the next two contests at that level, plus all other contests at other levels during the interim. Coaches may not be present at the contest site during the time of their “sit-out” suspension. Any coach ejected a second time will also be required to successfully complete the NFHS Fundamentals of Coaching online course within 10 days of the ejection. Failure to successfully complete the course will result in a suspension from coaching for the remainder of the season. In those situations in which the ejection of the coach occurs near the end of the season or during the NSAA end-of-season play, the coach will be required to successfully complete the NFHS Fundamentals of Coaching online course before being able to coach the following season or year.
10. If the ejection takes place in the final game of the season, the suspension will carry over to the following season.
11. When schools have students or coaches with multiple ejections, the school shall submit to the NSAA a written management plan on how they plan to remediate the problem.
12. Officials will be expected to file with the NSAA an ejection report for any ejection of a player or coach from a contest online. Any unusual situation that occurs prior to, during, or after a contest should also be reported.
13. Prompt reporting to the NSAA office by the official is necessary. Officials are asked to submit their electronic report or call the NSAA office by the day following the ejection.
14. Officials are asked to be specific in listing the reason(s) for an ejection.
15. Affiliated officials (officials registered from contiguous states) will also be required to perform this reporting function.
16. There is no appeal process for ejections for unsportsmanlike conduct.
17. The Executive Director shall reserve the right to consider the length of suspensions when some levels of competition are scheduled on an irregular basis (e.g., three weeks between regularly scheduled non-varsity contests).

In the realm of good sportsmanship, it is the expectation that all student spectators to wear shirts for all sub-district, district, district final and state events. Each individual school shall be responsible for assuring that student spectators are appropriately attired. Participants must keep their uniforms on while in the competition area.

This prohibition applies to all fields of play, courts, arena, mats, gym floor or pool, and includes a ban on the entire facility being used as part of the NSAA event, including the spectator areas and parking areas. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, Tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV. An exception to this policy, in writing, may be made in specific cases for NSAA broadcast partners, provided the Management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the NSAA (2015).
