

2026 NSAA STATE CHAMPIONSHIPS

\$5

BOYS  
**WRESTLING**

Hi everyone! My name is Lauren Moore and I am a senior at Arapahoe High School. I serve as a member on the NSAA Student Advisory Committee, striving to make a difference in student athletes and sports all around, allowing for everyone to amplify their unique voices. I keep myself busy participating in bowling, unified bowling, National Honor Society, FFA, vocal, one-act, musical, journalism, cheerleading, student council, and acapella choir.

Being in all of these activities, I think we sometimes find ourselves taking things for granted. Getting to participate in all these different activities is a privilege. Without our coaches, teammates, officials, and judges, we would not be able to play the sports and participate in the activities that we love. The countless hours that they put in to create a meaningful experience for us often go unnoticed — but they're the reason we get to grow, compete, perform, and make memories that will stay with us long after high school.

You never know what is going to happen next, whether your season is cut short due to injury or you come home with a state medal. That's why it's so important to play with gratitude, lead with respect, and treat every moment — and every person — with the sportsmanship they deserve.

Sportsmanship isn't just about shaking hands at the end of a game. It's about showing up for your teammates, encouraging others even when you're struggling, respecting your opponents, and understanding that the way you act under pressure says more about you than the scoreboard ever will.

**Beyond the Mat** is a high school wrestling program focused on developing the whole student-athlete—not just the competitor. This brings together students with and without intellectual disabilities to participate together on the same team. The goal is to promote inclusion, teamwork, and mutual respect through wrestling and competition, while providing meaningful athletic opportunities for all students. At the NSAA we strive to help our member schools break down inclusion barriers, build lasting friendships, and assist with creating a culture where everyone can participate.

Empathy listens. Empathy connects. Empathy cares.

It's walking in someone else's shoes, seeing what they see  
and feeling what they feel without judgment or shame.

Empathy says YOU ARE NOT ALONE.

And it changes everything: You. Me. The world.

These charts show team points for each round during this tournament, depending on the type or margin of victory. These charts include the appropriate advancement and place points inserted during the progress of the tournament.

For instance, first place is worth 16 points and these will be issued as earned, beginning with a quarterfinal win, where an athlete clinches at least sixth place. Again, after a semifinal win, where the athlete clinches at least second place, and finally with the championship match win, where the athlete picks up the difference in second and first place points. If an athlete wins a first round match by a fall, the wrestler scores 4 points for the team. If the wrestler wins the quarterfinal match by a decision, add 5 more points to the team total.

In Class D: *Any school that qualifies more than one wrestler in a weight class, must designate which of the two wrestlers would score team points for the purpose of determining the state team placing. If two wrestlers from the same school compete against each other in the tournament, and the designated scoring wrestler wins the match, only advancement and placement points for that match would be awarded with no additional bonus points earned regardless of the match score.*
